

## Part 6 PARALYSIS BY ANALYSIS

### WHERE DOES IT START?

There are certain \_\_\_\_\_ & \_\_\_\_\_ that try to take hold in us all. If they become too strong, \_\_\_\_\_ kick in, causing us to \_\_\_\_\_.

### WHAT ARE THOSE CHAINS & FEARS

1. Torment of \_\_\_\_\_ (Hebrews 12:1-2)
  - \* \_\_\_\_\_: Worrying about things we can't \_\_\_\_\_ anyway.
  - \* Fear of \_\_\_\_\_ or \_\_\_\_\_
  - \* Fear of \_\_\_\_\_
  - \* Failure is \_\_\_\_\_; it's the \_\_\_\_\_ that's \_\_\_\_\_.
  
2. Chains of \_\_\_\_\_
  - \* If we aim for \_\_\_\_\_ targets, we may never get \_\_\_\_\_.
  - \* Have we \_\_\_\_\_ success?
  - \* SUCCESS = \_\_\_\_\_ the last act of \_\_\_\_\_  
God laid on your heart so He could produce \_\_\_\_\_.
  - \* Is the \_\_\_\_\_ of \_\_\_\_\_ setting our expectations or is it \_\_\_\_\_  
\_\_\_\_\_ or our fears about their possible \_\_\_\_\_?
  
3. Fear of People's \_\_\_\_\_
  - \* There's being \_\_\_\_\_ of others & being \_\_\_\_\_ to others, & then there's the \_\_\_\_\_, which the Bible says is a \_\_\_\_\_.
  - \* If you're too worried about how everyone else will \_\_\_\_\_, you can easily \_\_\_\_\_ of the \_\_\_\_\_ you're supposed to \_\_\_\_\_.
  - \* \_\_\_\_\_ may shout loud, but they're not a \_\_\_\_\_.
  - \* We're not supposed to make decisions based on \_\_\_\_\_, but on \_\_\_\_\_.

### ESCAPING PARALYSIS BY ANALYSIS (Proverbs 3:5-6)

1. \_\_\_\_\_ are you going to \_\_\_\_\_?
  - \* \_\_\_\_\_ in the \_\_\_\_\_ with \_\_\_\_\_.
  - \* There are many things \_\_\_\_\_ for your \_\_\_\_\_, but ultimately there should just be \_\_\_\_\_ = God the King.
  
2. \_\_\_\_\_ (on your own understanding)
  - \* It's so very \_\_\_\_\_ to \_\_\_\_\_, especially if you've been trained to \_\_\_\_\_.
  - \* The \_\_\_\_\_ is very keen for you to \_\_\_\_\_; as far as he's concerned the \_\_\_\_\_ from God you \_\_\_\_\_, the better!
  - \* \_\_\_\_\_ decisions are rarely \_\_\_\_\_ decisions.
  - \* If you start \_\_\_\_\_ on those \_\_\_\_\_, giving them disproportionate \_\_\_\_\_ & \_\_\_\_\_, you risk analysis producing paralysis.
  - \* So, take those fears \_\_\_\_\_.
  
3. \_\_\_\_\_
  - \* In the middle of this complexity, what is God \_\_\_\_\_? What is He \_\_\_\_\_? Where is He \_\_\_\_\_?
  - \* Can you cut through the \_\_\_\_\_ to see the \_\_\_\_\_ of God?
  - \* Can you quieten the \_\_\_\_\_ to distinguish \_\_\_\_\_ from \_\_\_\_\_?
  
4. \_\_\_\_\_
  - \* Perhaps the best question is 'What's the \_\_\_\_\_?'
  - \* God wants to know if we're prepared to \_\_\_\_\_ Him. Usually that means the next \_\_\_\_\_ step, & that you probably won't know steps \_\_\_\_\_.
  - \* You may not have the \_\_\_\_\_ to every single \_\_\_\_\_, but you can ask for the \_\_\_\_\_ to take one more step (Psalm 23:2-3, 37:23, Galatians 5:25).
