

# COLOSSIANS 4:2-18 - Full of Grace & Seasoned with Salt

## THE OVERVIEW

- \* In v7-18, we see a typical example of Paul pouring out his \_\_\_\_\_  
\_\_\_\_\_ ... At its core, Christianity should be \_\_\_\_\_ people,  
\_\_\_\_\_ people & \_\_\_\_\_ people.
- \* In v2-6, Paul reminds us to make sure our \_\_\_\_\_ are \_\_\_\_\_ & \_\_\_\_\_.
- \* v2: Before you \_\_\_\_\_, you need to \_\_\_\_\_.
- \* Be \_\_\_\_\_ (1 Peter 5:8-9, Ephesians 6:18) & \_\_\_\_\_.
- \* v3-4: Prayer is a crucial part of our \_\_\_\_\_ endeavours. We ask  
the Lord for \_\_\_\_\_ as we proclaim  
the mystery of Christ both in \_\_\_\_\_ & \_\_\_\_\_.

## ALWAYS FULL OF GRACE

- \* The sad reality is, Christians are seen predominantly as \_\_\_\_\_  
... How did a \_\_\_\_\_ like Him produce \_\_\_\_\_ with a  
\_\_\_\_\_ like that?
- \* The Conundrum: Sinners ran \_\_\_\_\_ Jesus, not \_\_\_\_\_.
- \* The Irony: The \_\_\_\_\_ a person felt about themselves, the \_\_\_\_\_  
\_\_\_\_\_ they were to see Jesus as a \_\_\_\_\_.
- \* The church is supposed to be a \_\_\_\_\_ of \_\_\_\_\_ in a  
world of \_\_\_\_\_.

Jesus stood for, taught & demonstrated radical, extraordinary, life changing  
\_\_\_\_\_, confirmed by 4 proofs / evidences

1. His \_\_\_\_\_ was revolutionary
2. He told lavish \_\_\_\_\_ of grace
3. In His interactions, He \_\_\_\_\_ grace
4. What He \_\_\_\_\_

The Point: If that's what Jesus \_\_\_\_\_, that's what we should be  
\_\_\_\_\_.

What does it functionally mean to be FULL OF GRACE?

This should be a place where people

- \* Are allowed to be in a \_\_\_\_\_.
- \* Don't need to have all the \_\_\_\_\_ or wear a Sunday best  
\_\_\_\_\_ to fit in.
- \* Are allowed to \_\_\_\_\_, and if they do, should be \_\_\_\_\_,  
not written off.
- \* Who are struggling feel they are being \_\_\_\_\_, not \_\_\_\_\_  
... that we're \_\_\_\_\_ them, not \_\_\_\_\_ them.

Our job is to \_\_\_\_\_ that environment and let \_\_\_\_\_ do  
its \_\_\_\_\_.

## SEASONED WITH SALT

What can we sprinkle into conversation to create a \_\_\_\_\_ for /  
\_\_\_\_\_ in spiritual things? How can we \_\_\_\_\_ the  
conversation from the usual topics onto \_\_\_\_\_ of the \_\_\_\_\_?

1. Ask, 'How you are \_\_\_\_\_ doing?'
2. What's your greatest \_\_\_\_\_ or \_\_\_\_\_?
3. Tell them they're \_\_\_\_\_ or, if you're really brave, that \_\_\_\_\_  
loves them.
4. How can I \_\_\_\_\_ for you?
5. What simple \_\_\_\_\_ can I \_\_\_\_\_?
6. Can you tell them part of your \_\_\_\_\_? Concentrate on your  
\_\_\_\_\_ and let God worry about \_\_\_\_\_.
7. \_\_\_\_\_ lovingly: People remember less about what you \_\_\_\_\_  
and more about how you make them \_\_\_\_\_.
