Equip, our centralised workshop-style seminars continue this week on Wednesday evening, June 7th and run until June 21st. Sessions start with coffee at 7.30. We have a short time of sung worship at 7.45 and then break out into groups around theBarn from 8.00. Groups finish sometime between 9.00 and 9.30. There are no Wednesday night Connect Groups running over this period. If you've missed the sessions so far, for whatever reason, please feel free to come along this Wednesday and join the group of your preference. The vision, is to train and equip people to serve Jesus, become more mature in their faith, more confident in their leadership and to grow in their gifts.
